EVERY CHILD HAS THE RIGHT TO AN EDUCATION

No young person should be prevented from getting an education because of their sexuality, sex, gender reassignment, race, disability, pregnancy and maternity, poverty and faith, etc.

All young people should be able to enjoy their education without fear of harassment for being who they are.

LGBTQ+ youth often face bullying at school for being openly out about their gender identity and/or sexual orientation.

Schools everywhere should be a place full of enjoyment and learning.

They should not be somewhere where young people have to deal with insults from their peers on a regular basis.

There is never a valid reason for someone to deal with harassment in a school environment.

Everybody deserves to have an education.
